- **Learning Goals:** React Three Fiber, Python, Django, Flask, Trading Automation, AI Tools, Web 3.0, Blockchain, React Expo, Supabase, firebase, PostgreSQL

## Professional Skills

---

Problem Solving, Understand Client Requirement, Team Collaboration, Communication, Adaptability, Time Management, Attention to Detail, Creative Thinking

## Project

---

1. Project

Tech

Stack:

React, Tailwind CSS, Framer

Description: Built a 4-page animated landing page with smooth scroll and transitions

Title

Motion
2. Project

Teach

Stack:

MERN

Description: Full-stack blog application with authentication, dashboard, and REST APIs

Title

Stack

## Education

---

Bachelor

of

Computer

Applications

Marwari College, Ranchi

## Additional Information

---

1. Self-learned price action based technical analyst (2022 - Ongoing)
2. One Year Diploma in CABA-MTDP (2022-2023)

## Hobbies & Interests

---

Web development, web designing, security trading and investing, teaching, digital marketing, body building, meditation, travelling, hacking
